

**WebFire Wednesday Webinars:**

# **Site Example and Site Analyses (and Q&A)**

# Welcome to WebFire's Wednesday Webinars!

Every Wednesday at 2 pm EST, We'll Host a Live Training and/or Q&A Call for WebFire Members

These trainings will either feature myself (Brian Koz), Shawn Casey, both of us at once, or occasionally a featured special guest if we think their expertise would be of value to our members

If you're here or registered for the series, you'll get a reminder each week so you don't forget, but if you can't make one, we'll have the recordings in the members area within a day of any of the calls under the "Training" tab on the left side navigation bar.

Use these calls as an opportunity to get even more training, ask strategy type questions, get feedback, or make suggestions on what else you'd like to see!

Special Note: Make sure to check out our prior WebFire Wednesday Webinars and our WebFire trainings, as there's tons of info already there that a lot of you are asking for more training on. 😊

## WebFire Member Rules to Success:

1. Follow the steps and trainings we have.
2. Don't give up (seek help when needed but don't get too dependent)
3. No whining or negative attitudes (quickest way to fail)

Last week we talked about mini sites...

Brief Summary (and example)
