

WebFire Wednesday Webinars:

Get Your Site Analyzed and Q&A

Welcome to WebFire's Wednesday Webinars!

Every Wednesday at 2 pm EST, We'll Host a
Live Training and/or Q&A Call for WebFire
Members

Do You Want Your Site Analyzed?

Give me this info in the chat box:

1. Domain Name
2. Niche or what you're trying to sell
3. Whether it's for global sales of your product, an affiliate product, or a local business.

These trainings will either feature Brian Koz, Shawn Casey, both of us at once, or occasionally a featured special guest if we think their expertise would be of value to our members

If you're here or registered for the series, you'll get a reminder each week so you don't forget, but if you can't make one, we'll have the recordings in the members area within a day of any of the calls under the "Training" tab on the left side navigation bar.

Use these calls as an opportunity to get even more training, ask strategy type questions, get feedback, or make suggestions on what else you'd like to see!

Special Note: Lots of you have been asking for specific training on many things already covered (how to rank, how to reply to leads, etc.)

All of this has been covered on our prior WebFire Wednesday Webinars and our WebFire trainings (and we constantly reiterate several key concepts), so make sure to check those out.

WebFire Member Rules to Success:

1. Follow the steps and trainings we have.
2. Don't give up (seek help when needed but don't get too dependent)
3. No whining or negative attitudes (quickest way to fail)
